

Driving Directions from SXM Airport to Hotel Palm Court

From Julianna Airport head southwest (left towards Sunset Beach Bar), then make a right at **Traffic Circle 1** with the “Welcome to St Maarten” sign at the entrance to **Maho**.

Drive through Maho, then past the golf course, then veer left at **Cupecoy**, then right at **Traffic Circle 2** at Blue Mall/Puerto Cupecoy... drive through **Terres Basses**... through **Nettle Bay/Sandy Ground** and towards **Marigot** (you’ve been driving about 20 minutes by now).

Less than 1/2 mile after crossing the bridge in Sandy Ground make a left at **Traffic Circle 3** (right after Beach Plaza Hotel), go to the end of the street then turn right, go through the Marigot Marina area and make a left at the end of the road then you will immediately pass Le West Indies Mall on your right.

Stay on this road to **Traffic Circle 4**... then go northeast toward **Grand Case/Orient Bay**...

You’ll pass Grand Case and eventually come to **Traffic Circle 5** where you’ll go “straight” (slightly veer right) towards **Orient Bay**... go almost 1 mile to the entrance to “**Parc de la Baie Orientale**”, turn left. Stay on this road 0.46 miles (it will curve) and you’ll come to a traffic circle, turn left, then left again at the next traffic circle. Palm Court is on your left...

Congratulations! You’ve found paradise!
